# Driving Change: Golf, Community and the Lung Cancer Cause

Curt Groebner is as passionate about golf as he is about fighting cancer. So passionate that for the last 12 years he has held a 24-hour golf marathon that has raised \$88,982 for GO2.

Read more about everything Curt has accomplished, what fuels his passion, and how you can easily start fundraising, too.

## **New Survey Breaks the Silence on Women, Lung Cancer and Sexual Health**

A groundbreaking new survey, conducted by a multi-disciplinary team in GO2 Foundation's Lung Cancer Registry, found that sexual dysfunction is prevalent in women with lung cancer. The results were shared by study lead Dr. Narjust Florez (Duma) with top clinicians, researchers and scientists from across the world on August 9th at the 2022 IASLC World Conference on Lung Cancer in Vienna.
