

LUNG CANCER IN MISSISSIPPI AND ARKANSAS

A Regional Stakeholder Conversation on Progress and Potential

GO2 for Lung Cancer is hosting a virtual meeting to discuss how our nation's leading cause of cancer mortality is impacting Mississippi and Arkansas.

Date: Wednesday & Thursday, November 15-16, 2023

Time: 10:00 AM to 12:00 PM Central

Below is a sneak peek of the agenda:

- **The Changing Tides of Lung Cancer in the Nation and in your Community**
An overview of national and state lung cancer data trends and community stakeholder strategies.
- **Shifting Sands in the Lung Cancer Policy Landscape**
How policy is impacting lung cancer early detection and treatment opportunities.
- **Sailing a Course to Health Equity in Your Local Waters**
Exploring underserved and disparately impacted populations across the lung cancer continuum, and opportunities and strategies to close the gaps in your region.
- **GO2 and the O2 to Keep You Swimming**
A facilitated, audience-led discussion of needs and opportunities, and an overview of free resources available from GO2 for your programs and patients.
