

HIV Initiative.—The agreement fully funds the HIV Initiative and directs HHS to provide a spend plan to the Committees no later than 60 days after enactment of this Act, to include resource allocation by State. The agreement further directs HHS to submit an initial evaluation of the program to the Committees no later than one year after enactment of this Act.

Hospital Acquired Conditions.—The agreement supports an evaluation of the efforts to reduce Hospital Acquired Conditions, outlined in House report 116-62, and directs the Secretary to include the results of the evaluation in the fiscal year 2021 Congressional Justification.

KidneyX.—The agreement includes \$5,000,000 for KidneyX and directs the Secretary to submit a multi-year plan to the Committees, outlining possible prize competitions in future years, no later than 180 days after enactment of this Act.

Lung Cancer in Women.—The agreement encourages the Secretary, in consultation with DoD and VA, to conduct an interagency study to evaluate the status of research on women and lung cancer and make recommendations for additional research on the disparate impact of lung cancer in women who have never smoked. The study should make recommendations regarding increased access to lung cancer preventive services and strategic public awareness and education campaigns related to lung cancer.

Maternal Mental Health.—The agreement directs the Secretary to submit the report requested under this heading in House Report 116-62 to the Committees no later than 180 days after enactment of this Act.

National Alzheimer's Disease Plan.—The agreement encourages the Secretary to prioritize the Advisory Council work to make recommendations to Congress and to assist in coordinating the work of Federal agencies involved in Alzheimer's research, care, and services.
